Information pursuant to European Regulation 2016/679

In accordance with art. 13 of the European Regulation 2016/679 we inform you that TEC Eurolab with registered office in Viale Europa 40 - 41100 Campogalliano (MO) as Data Controller, electronically processes your data for the management of certification examinations, current legal obligations and customer care. For the purposes of registration for the certification exam, the Owner may become aware of data defined as special in Article 9 of European Regulation 2016/679 (eg racial and/or ethnic origin, health status, ...). The provision of data for these purposes is necessary and failure to do so will compromise your registration for the certification exam. Your data, with your explicit consent, may also be used for digital and analog publication on national and international media (image on the Web, Video, Print) and for sending newsletters about products and/or services of the owner or third parties who collaborate with the owner. The provision of data for these purposes is optional and failure to provide such data does not compromise enrollment in the certification exam. Your data will be processed by persons authorized to the treatment, communicated only to competent and duly appointed for the performance of services necessary for the proper management of the relationship, with a guarantee of protection of the rights of the person concerned. Your data will be disseminated, subject to your consent, as explained above. Your data will be kept for a period of time not exceeding the achievement of the purposes for which they are collected and processed for the execution and fulfillment of contractual purposes and mandatory times prescribed by law. The conservation of data for optional purposes is until the opposition of the person concerned or the services provided.

You have the right to obtain from the holder the cancellation (right to be forgotten), the limitation, the updating, the rectification, the portability, the opposition to the processing of personal data concerning you, as well as in general you can exercise all the rights provided for in Articles 15, 16, 17, 18, 19, 20, 21, 22 of the European Regulation 2016/679.

The extended information is available on our website www.tec-eurolab.com/informative-privacy or can be requested to privacy@tec-eurolab.com

The Data Controller is TEC Eurolab Srl, Viale Europa 40 - 41011 Campogalliano (MO) in the person of its legal representative pro.tempore.

The undersigned is aware that the treatment may concern particular data as resulting in the information and provides consent for the treatment of the same (it should be noted that in case of lack of consent will not be possible to enrol in the examination):
